FAQ

WHY IS NANA HOUSE ERICEIRA A GOOD WINTER ESCAPE

Nana House is a beautiful traditional Portuguese house with extraordinary energy. It is embedded in nature and a perfect place to find clarity and reconnect to yourself and others. The house lies in a small village away from the busy town, where you can focus on your work while enjoying the green environment and a fantastic and supportive community. Nana is only a couple of meters away from a walking path into the fields of Ericeira. Moreover, you can reach some of the best surf breaks within an 8-minute car ride and less known and uncrowded spots along the coast within 20-25 mins.

WHAT IS THE HOUSE SETUP?

The house has five spacious yet cozy bedrooms with charming Portuguese wooden floors and ceilings. All rooms are designed with attention to detail, simplicity, and authenticity. Each room features a comfortable double bed, a spacious closet with hangers, a private workspace, a mirror, air conditioning to cool or heat the rooms, and high-speed wifi. The largest room (the suite) has an ensuite bathroom, a walk-in closet, and access to two terraces and the garden. The middle-sized rooms (Lux I & Lux II) face the open fields and share one spacious bathroom in the hallway. Cozy Plus is slightly smaller than our mid-sized rooms, facing the garden to the south. Cozy is our smallest yet brightest room, facing the garden, too. Cozy and Cozy Plus share another bathroom in the hallway. A spare WC is on the floor, and one additional bathroom is next to the yoga shala. Nana House has a beautiful, bright living room with a chimney, pool table, and a co-working space. The kitchen is vast, with a long dining table where you can gather together and plenty of space to cook fresh meals and store groceries. The beautiful and widespread garden has several terraces where you can sunbathe or chill in the shade and a refreshing pool.

WHAT IS INCLUDED IN THE ACCOMODATION PRICE?

The table prices include accommodation in our beautiful house, bathroom towels, linen, and weekly cleaning. They also include one package of firewood per month, water and electricity costs, wifi, and pool & garden maintenance. The private use of our yoga shala and props is also included in the price.

IS THE CLEANING FEE INCLUDED?

The price includes basic cleaning once a week (6 hours). Please order and pay for any cleaning services beyond that. Towels and sheets are included.

CAN WE SHARE A ROOM WITH 2 PEOPLE?

To ensure the house is not getting too busy, we can host a maximum of 7 people. To this capacity, we offer the option to share a room at an additional cost of 5.00 euros per night. Precedence is given to share the suite or the mid-sized rooms.

FAQ

HOW TO GET TO NANA HOUSE ERICEIRA?

We recommend flying into Lisbon International Airport, 30 minutes south of the Nana House. We are happy to organize airport transfers for you for additional costs. Alternatively, you can go by public transportation from Lisbon Airport to Ericeira Center, from where we can organize a 15-minute drive to the house.

IS IT NECESSARY TO HAVE A CAR?

During the winter season, we recommend having a car. Ericeira's surroundings have a lot to offer. You can drive north to Peniche, south to Sintra, or explore the beautiful beaches in and around Ericeira.

HOW DO WE HANDLE THE PAYMENT?

To secure your booking, you must prepay the security deposit of one monthly rent by bank transfer. The rent is due on the first of each month, starting with the month of arrival. Failure to pay the remainder equals cancellation, in which case, the initial advance payment is non-refundable. If canceled until six weeks before arrival, 70% of the prepay will be refunded. If you cancel after that day, no refund is given. The security deposit of one month's rent minus any itemized deductions will be refunded after the rental period. All payments are to be made by bank transfer.
